

BARISTA FRAPPE

BY MERAKI

2024

Barista Frappe, owned and operated by Meraki, was developed from the desire to create a premium product for baristas. Consistently beating our competition in blind taste tests, Barista Frappe uses the finest ingredients to ensure our customers receive the best iced blended product on the market. We now offer two great brands under one distribution hub - One hot and one cold. Both Meraki Artisan Teas and Barista Frappe products can be combined when ordering.
